28-09-2021
Tunnel engineer course (ISO 9001-2005)

SKILLS

- AUTO CADD 2D,3D (CIVIL ARCHITECTURAL DESIGN)
- Project management and foundations budgets
- Site knowledge

- Ms Excel knowledge
- Advanced Excel knowledge
- Microsoft power point
- DRONE IN CONSTRUCTION COURSE BY (CMTI)
- Revit architecture (Elevation of building with different direction and it's walk through animation)
- ETABS (STRUCTURAL MODELLING AND ANALAYSIS FOR R.C.C BUILDING STRUCTURE)
- PRIMAVERA
- STADD PRO
- BEC SOFTWARE (BUILDING ESTIMATION AND COSTING)
- MICROSOFT PROJECT(MSP)
- MS-OFFICE (WORD, EXCEL ,POWER POINT)
- Revit Structure
- Stadd pro
- Tunnel execution knowledge

PROJECTS

- **Staff quarters district jail authority kurukshetra Haryana**
Construction of residential house for judicial officer of 1900 after. In the campus of SDO.
- **Haryana pwd (B&R) four lane dhand road Kaithal**
Hot bitumen & hot mix asphalt Road work
- **P-way engineer**
 - Maintenance of particular yard as per required quantity of ballast,sleepers ,rails,p-way filling items.
 - Responsible for monitor & checking out ballast gradation, measurement as per Rvnl guidelines & specification.
 - monitoring and checking of sleeper lying and rail linking.
 - Testung of ballast materials in third party lab.
 - monitoring and checking platform pf wall & coping slab layout work as per IRPWM.
 - Knowledge of point and crossing 1in12 ,1in 8.5.
 - montoring of rail panel and unloading work with safety measures.
 - checking of top bed levels and track centres as per mentioned L-section.
 - prepare weekly ,monthly and quarterly base progress report .
- **Diploma project**
Tunnel engineering
- **Btech final year project**
Micro tunnel with msp

LANGUAGE

- Hindi
- English

INTERESTS

- Site engineer work
- Project management
- Design engineering
- Quality management
- Civil maintenance
- Site survey

- Auto leveling
- Tunnel engineering
- Structural engineering
- Customer relationships management

ACTIVITIES

- Studies
- Hard working
- Disciplined
- Interest in self development
- Debarate competition
- Cultural awareness
- Dedicated
- Work under pressure

PUBLICATION

- **News paper**
Construction of elevated BG railway line from 80/1 to km 85/7 along the existing railway line on diverted alignment at kurukshetra

PERSONAL DETAILS

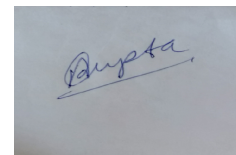

- Date of Birth : 11/01/1993
- Marital Status : Single
- Nationality : Indian
- :

REFERENCE

- **LinkedIn - "SCC infrastructure parivate limited amhedabad Gujarat "**
Site engineer

ADDITIONAL INFORMATION

A smart worker ,capable of har work, a quicker learner, curious about things and always looking to develop and improve; I have immense faith in the goodness of people and I can mingle easy .sensitive to people's feelings , I am a good team player. My ability to accept my mistakes and correct them is a big strength. Confident ,with fairly good leadership skills, I have learnt -through my participation in various activities at school and college-to arrange and distribute work, manage time ,people and situations . It has also developed in me flexibility, a practical approach to work and the ability to multi-task.I have a strong sense of responsibility and am sincere and honest which ,I believe are important for any good professional.
